Company Profile

We are very pleased to take this opportunity to introduce Llexan to Your esteemed company.

As a world market leader of many years' standing, we have an utmost experience in the field of advanced anti-shoplifting technologies, coupled with a customer portfolio made up of prestigious names such as Angelo Randazzo, Angelucci Group, Salmoiraghi, Grand Optical, Avanzi group and Optariston.

Fighting shoplifting is the best way in order to prevent inventory shrinkage. For this reason our company constantly works towards the development of the anti-shoplifting field through a continuous research for cutting-edge solutions.

At the same time we continually strive for the improvement of a wide range of high quality labelling solutions and complementary apparel that can make a real difference to sales in your shop.

We are enclosing illustrative sheets with some of our product specifications in the expectation that You will take full advantage of this exceptional opportunity.
